BE PART OF THE STORY

'At Arise Church we are passionate about God and people. We want everyone to live the life they were created to live and we believe that life is found when they find Jesus. So, because of that, everything we do is done to point people towards Him. We want everyone to know that they are valued, no matter where they come from, no matter who they are, that God loves them and we love them and we want them to find a place they can call 'home'. We believe that place is called Arise Church. At the heart of Arise Church are our volunteers. Why not join the team and become part of the story? – Pastor Andy Aston

BE PART OF THE ADVENTURE

Our founding Pastors Paul and Gail Chamberlain began Calvary Church, as we were formerly called, in May 1985 and we held our first Sunday Service in the October of that year in Blanford Mere Primary School. Paul and Gail's passion was always to reach the kids and young people of Kingswinford, Wall Heath and the surrounding areas and so a Sunday School began around the same time called 'Breakaway'. From there the church grew and grew and grew and before long we moved from the school hall (in 1991) into our first, purpose built, Church building.

From there, the influence and impact of Calvary Church continued to increase, and we have seen God do some amazing things over the years. Provision of finance meant that we could employ Pastor Paul to work full-time for the Church and over the years our staff has increased as we were also able to employ a number of people to help us increase the work we do in the surrounding community. In recent times, we have had a change of leadership as Pastors Paul and Gail both retired which saw Paul hand the Senior Leadership of the Church over to our current Pastor, Andy Aston, in January 2016.

Although this church has only been in existence since the mid 1980's, we look back with great memories of what God has done through a few faithful people who were crazy enough to start from scratch and grow this church from nothing. We are so excited to see what the next chapter holds for this community. We have had books released from this church, albums written and recorded, but most importantly, we have seen lives changed and people discover their identity and purpose on this earth. It's all been part of the adventure and history of what is now called Arise Church. We would love you to become part of the adventure! Find out more at www.arisechurch.uk/jointheteam

Summary of main purpose of the role, duties and responsibilities

Title:

Live Stream Operator

Summary of main purpose of the role:

Our production team is the behind the scenes team that makes Arise Church services and Arise Online happen. Without this team, 1000s of people wouldn't get to hear the good news that we have to share. You would be responsible for setting up the live stream, operating the broadcast software and liaising with the team to make Arise Online happen. It's a great team to join to learn new skills as well as meeting many new people and gives plenty of opportunities to problem solve and think on your feet.

Main duties and responsibilities:

- To operate OBS broadcast software to enable us to live stream our Sunday meetings via YouTube
- To set up and tear down OBS and Mac OS.
- To work as part of the production team and enable live streaming.

Person specification

- Independent worker happy thinking on their feet and problem solving.
- Enjoys working within a wider network of people.
- Consider and operate in line with our Vision and Core Values.
